

Dear confrere

Many congratulations on the 10th anniversary of the delegation of Tuscia and Sabina! It is never easy being responsible for a voluntary organisation and I know that you have developed a very effective delegation.

Also I am always happy to see your book on the Two Sicilies Orders being read and understood; we need to get our message out to those who do not understand the importance of our Order and the rights of HRH the Infante D. Carlos, duke of Calabria.

With my very best wishes,

Confraternally

Guy Stair Sainty
